

AYES is an International Engineering & Technology Consulting Company with main focus on Automotive, Aerospace & Defense, Railway, Energy, Pharma & Life Science.

Born in Italy, AYES supports clients globally with offices in Italy, Switzerland, Spain, Belgium, France, Germany, UK and USA.

AYES serves innovation, technology and the engineering R&D, considering the human resources as a big value and a big strength for growing and sharing Know-how and experiences.

Our project shares and sponsors the ambitions of our employees, believing that **what you really WANT, you can DO.**

If you are a young graduate in engineering or in scientific subjects who wants to enter into the dynamic and amazing world of Technology Consulting, please send us your resume.

It will be evaluated by our HR experts and we will contact you.

**Say YES, Say AYES!**
